## Human Rights Education in our Pre-schools

We are pleased to share with you that Ms. Swati Mehta and Ms. Rimjhim Bhanj from the Maple Bear Corporate Office Team were invited for a two day planning workshop on Human Rights Education organized by Amnesty International in Bangalore.

The objective of the workshop was to build opinion on the importance, relevance and necessity of Human Rights Education in schools. This program was a platform to create awareness on the issue of bullying and creating an environment in schools where there is respect, dignity, participation, inclusion and non-discrimination for all.
